

Emergency Medical Technician Program's
Recommended Course Sequences
2017-18 Catalog Year

The following is a suggested two-year course sequence recommended by the department faculty. Note that pre-requisites for courses are not included in this plan, and it is always advisable to meet with a counselor to ensure you are meeting all current requirements.

Emergency Medical Technician - Certificate of Performance

First Year

Fall Term		Units	Spring Term		Units	Summer Term		Units
EMGM 50	CPR for Healthcare Providers ^A	0.5						
EMGM 105A	Emergency Medical Technician	7.0						
EMGM 106	EMT Defibrillation/Combitude	0.5						
EMGM 296	Individualized Instruction in Emergency Medical Tech ^B	1.0						
<i>Total Units</i>		9.0	<i>Total Units</i>		0.0	<i>Total Units</i>		0.0

^A If you possess a current American Heart Association BLS card, or an American Red Cross CPR/AED for the Professional Rescuer, Healthcare Provider, or Lifeguard card, you do not need to enroll in EMGM 50.

^B This course provides tutoring to support academic success in the EMGM 105A Elective. You may take the same sequence of courses in any given semester. EMGM 296 is only available in the fall and spring semesters.
