

# Graphics Program's Recommended Course Sequence 2017-18 Catalog Year

The following is a suggested two-year course sequence recommended by the department faculty. Note that pre-requisites for courses are not included in this plan, and it is always advisable to meet with a counselor to ensure you are meeting all current requirements.

## Graphics - Associate of Arts Degree

or ELECTIVE	Any Elective	3.0						
	<i>Total Units</i>	6-9.0		<i>Total Units</i>	3-6.0		<i>Total Units</i>	0.0

**Note:** This degree provides the graduate with the demonstrable skills, documented experience, a portfolio of evidence, and the personal confidence to enter a career in which the ability to create, produce, and effectively use graphic identity and communications is a critical requirement. The program is task-oriented, intended to provide “embedded skills” beneficial to most careers. If transferring into a baccalaureate program, admission and major preparation requirements vary at each transfer institution, courses used to complete this degree should be selected with the assistance of a Miramar College counselor.

<sup>1</sup> **General Education:** In addition to the courses listed above, students must complete one of the general education options listed in the course catalog. It is strongly recommended that students consult with a counselor to determine which general education option is most appropriate for their individual educational goals.

**Blue** – These courses are options and may be substituted with other major elective courses outlined in the College Catalog.
